

ANDY JORDAN

Andrew Michael Jordan, known as Andy, is a laid-back skateboarder from Ann Arbor, Michigan. While he might not be a pro, he's all about putting in the time and effort to pull off some amazing tricks. Whether he takes a spill or nails a trick, you can bet Andy's is always having a good time while on the board.

Skating is Andy's passion, you can often find him cruising through the streets of Marquette, Michigan or tearing it up at the local skatepark. Although he frequents the skatepark he would rather be in the streets hitting spots that were never ment to be skated.

The city Andy loves to skate in is Ypsilanti, Michigan. When he is in town he explores skateparks like the Prospect DIY Skatepark a cool skatepark built by a

community of skaters in the Ypsilanti area. He also enjoys the commUNITY Skatepark, a park designed by New Line Skateparks wich features a combination of street skating and bowl skating. His favorite skating spot in his hometown is Kerrytown a farmers market not meant for skating but it has some unique street skating spots.

Traveling around the world is a dream form Andy he would like to explore and skate in different countries like Iceland, Sweden, and Japan to see what their parks have to offer. He gets alot of inspiration from pro skatboarders like Tyshawyn Jones, Guy Mariano, Paul Rodriguez, and the legendary skater Rodney Mullen a freestyle street skater. Andy doesnt just look to the pros for inspiration, His best friend Nolan is who inspires him the most. Nolan got Andy into skateboarding back in 2017 and is a constant source of motivation.

Andy's life goes byond the board, at home he is a middle child with two sisters named Maggie and Bridget, who both appreciate Andys skill on the board. Andys favorite spot to explore in Ann Arbor is the County Farm Park, a 127 acre park with a series of trails and gardens to explore. A nice 72 degree day and partly cloudy skies, for Andy that is the perfect skating weather. Weather like that makes it so you dont have to worry about overheating while skating. Andy prefers to wear baggy pants while skating to maximize his steeze and protect his shins, paired with Vans Half Cab shoes a classic style of for skating. He dismisses protective gear like most skateboarders and there is nothing wrong with that at long as hes staying hydrated and doesn't die.

Andy's favorite trick to pull off on the deck is a shoveit, this trick involves spinning the skateboard 180 degrees and landing back on it. Other tricks he enjoys are, big spins, and back nose slides on the rails. His deck of choice is the GX1000 a board he has been skating for many years, he pairs this with Spitfire wheels and Reds bearings. This isnt just a deck, it's an expression of Andy's style.

Like most skaters Andy is a big fan of music, he likes a wide range of genres, some of his favorite tracks include Heaven or Las Vegas by Cocteau Twins and Family Ties by Baby Keem. To hype himself up before landing a trick, he cranks up the volume for I Love UI Hate U by Playboy Carti off his 2020 album Whole Lotta Red.

Andy immerses himself in skate culture through YouTube, his favorite videos are put out by Frog Skateboards and Polar Skate Co. Like any skateboarder Andy enjoys snacking, His favorite snacks are Chex Mix, Bugles, Muddy Buddies, Hot Pockets, and Pizza Rolls. Occasionally he will get some fast food and his go to is the Wendys four for four, or the Popeyes chicken sandwich.
